There's so many things I like about you
I just don't know where to begin
Ahhhh... OK, well
I like the way you look at me, with those beautiful eyes
I like the way you, act all suprised
I like the way you, sing along
I like the way you, always get it wrong
I like the way you, clap your hands
I like the way you, love to dance
I like the way you, put your hands up in the air
I like the way you, shake your hair
I like the way you, like to touch
I like the way you, stare so much

But most of all, yeah!
Most of all
I like the way you move
I like the way you move

I like the way you, put your hands in the air
I like the way you, shake your hair
I like the way you, like to touch
I like the way you, stare so much
But most of all, yeah!
Most of all...
I like the way you move
I like the way you move

I like the way you, put your hands in the air
I like the way you, shake your hair
I like the way you, like to touch
I like the way you, stare so much
But most of all, yeah!
Most of all...
I like the way you move
