"Anti Social"

We drink too much we fight a lot were way too fuckin
loud
Our hooligan behavior makes us stand out from the
crowd
Can't be taking anywhere we always run a muck
Full of anger full of booze so don't you push your luck

Anti Social

We call each other family, We're not out to make
friends
If you think to cross our path, You better think again
You may not understand the way we choose to live our
lives
We're Anti - fuckin - Social! Till the day we fucking die

Oi!
