We're alive and kicking & we'll keep the faith alive
The troubles that we go thru we'll keep our heads held
high

American oi surviving it's up to us to hold on to it tight
Cheers to all the skinheads, who keep the spirit alive

We ain't going Anywhere - We'll be here till the end
We ain't going Anywhere - Our Culture, we'll defend
We ain't going Anywhere - Short Cropped hair and
Boots
Skinhead is our way of life, We're sticking to the Roots

Our lives are ruled by violence, we have violence in our
minds
Don't ever come across our path or be prepared to
fight
Short cropped hair, doc marten boots, We stick to the
roots
We've got strength thru american oi, through and
through
