[Allure]

All alone on a Sunday morning
Outside I see the rain is falling, falling
Inside I'm slowly dying
But the rain will hide my crying, crying, crying
And you...
Don't you know my tears will burn the pillow
Set this place on fire
'Cause I'm tired of your lie
All I needed was a simple "Hello"
But the traffic was so noisy that you could not hear me
cry
I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
(And you) You leave me so confused
Now I'm all cried out, over you

[112]

ooh
Cryin' over you, yeah

Never wanted to see things your way
Had to go astray
For why was I such a fool (Why was I such a fool?)
Now I see that the grass is greener
Is it too late for me to find my way home
How could I be so wrong?

[Allure]

Leaving me all alone
Don't you know my tears will cause an inferno
Romance of these flames
Why should I take the blame?
You were the one who left me neglected (So sorry
baby)
Apology not accepted
At me to the broken hearts you've collected
I gave you all of me (Gave you all of me)
How was I to know
You would weaken so easily
I don't know what to do (I don't know what to do)

Now I'm all cried out (All cried out)
Over you

I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you

[112]
You left me so confused

[Allure]
Now I'm all cried out
Now I'm all cried out
Over you

[112]
so sorry baby, please forgive me
please forgive me
