"Bulletproof"

There's nothing that you can do to me
That hasn't been done before
Before
Before
Before
You can call me bitter, angry and old
But I'd rather be bitter, angry and old
Than apathetic
You'll never know
How much I hate you
But I wish I did
But no I don't

My skin isn't bulletproof
I get hurt by everything you say
That's why I'll always keep my guard up
And I'll never, never, never let it down
You'll always stab me
For what we've got
We have gotten everybody
Don't let em fight

I might get crucified
But I can't never die
I made lie beat on the floor
But always comes back for more, more, more, more
You can't keep a good man down
That's why I'll never rise
There may be something I've done
Something you may despise
