It's goin' down like this
I got this pain up in my brain
I think I'm goin' insane
Like there are two million soldiers just waitin' for the
rain
Oh no here comes my daydream
The devil chasin' me like it was Halloween
I'm sick and tired I can't go on like a big ass stone
crushin' over my bone
Hey you what you gonna say
You can never try to run you can never get away
Chorus:
Side side side
I'm drowning inside
Side side side
I'm drowning inside
Side side side
I'm drowning inside
Side side side
I'm drowning inside

You have to get up
Your mind is on the deathtrap
The water that runs will never stop
You piece of crap
Can't you see why can't you be
Everybody now they start looking like me
It's a suicide take a ride feel the vibe
Be the groom even though there ain't a fuckin bride
Wanna take you under my art is a killer
This life is a cover-up murder
Repeat Chorus:
Please don't let me kill you with your heart
Open up your eyes as you're waiting to be blind
I think you can accept the blood flows in your head
Just put it in the bag
Just put it in the bag
Repeat Chorus:
Side side I think I'm drowning in
Side side I think I'm drowning in
Side side I think I'm drowning in
Side side

Drowning inside
Drowning inside
