Love to hate, you love to hate
He never cares
You made me sit without a chair
My tongue is burning but still I lie
Oh when you smile oh yeah I cry... I cry

Cut me out, cut me out
Cut me out, cut me out

I'm proud of you, my little boy
That's what he speaks "I'm not your toy"
I'm soul searching and still I'm lost
I'm dying now without a cause

Cut me out, cut me out
Cut me out, cut me out

Cut me out, play me out
You don't even know what this is all about
Think I'm feeling better, I never say never
You always say a-a from here to Virginia
(You're sick) Verbally abuse me?
I just kill the pain
I'm sure you never see me fall
Me crawl, you burn my soul, I crawl
Clown, crawl, clown, evil

Love to hate, you love to hate
He never cares
You made me sit without a chair
My tongue is burning but still I lie
Oh when you smile oh yeah I cry... I cry

Cut me out, cut me out
Cut me out, cut me out

Cut me out, play me out
You don't even know what this is all about
Think I'm feeling better, I never say never
You always say a-a from here to Virginia
(You're sick) Verbally abuse me?
I just kill the pain

I'm sure you never see me fall
Me crawl, you burn my soul, I crawl
Clown, crawl, clown, evil
Clown, crawl, clown, evil
(Clown) Find your way, find your way
(Crawl) Find your way, find your way

Evil clown
Come step the ground
Evil clown
I don't want your sound
Come on hate me, come on hate me
No love, no love
Cause you cut me out
Cut me out
