Poor little babe  
A puppet on a string  
I can't have gone by my own  
I'm mad at you  
Always a screw  
That don't mean anyone

I'm the one  
I'm the man  
Take me now  
By the hand  
You can see  
All of me  
Cut my wrists  
And I bleed  
Gasoline

Don't pick my brain  
You say I'm insane  
Did you hear what you want  
Left all alone  
In my twilight zone  
The lights are all turned off

I'm the one  
I'm the man  
Take me now  
By the hand  
You can see  
All of me  
Cut my wrists  
And I bleed  
Gasoline

If you should know  
I might explode  
I can't control myself  
Don't pity me  
'Cause I might agree  
The truth is just too great

I'm the one  
I'm the man  
Take me now  
By the hand  
You can see  
All of me  
Cut my wrists  
And I bleed  
Gasoline
