i lost my way through this days
looking for that same old says
iÂ'll break the silence of your face
to get closer everyday

Chorus:
now I turn around again
looking for a friend
i see your face again, and again

feel me today, cause youÂ're million miles away
and I know, that you know
hear me today, cause youÂ're million miles away
and I know, that you know

iÂ've been calling out your name
every minute itÂ's just the same
cold and hungry shout to me
from this battle that I canÂ't see
(Chorus)

fly down fly away
go down and fly away
fly down fly away
glide away, glide away

fly down fly away
go down and fly away
fly down fly away
glide away, glide away

*hear me today, cause youÂ're million miles away
and I know, that you know
(Repeat * 2x)

hear me today, cause youÂ're million miles away
and I knowÂ...Â...
