My adrenaline
Rushin' to my brain
When I'm travellin'
Die while you're sufferin'
Come again
Don't you ever feed
And consume me
You push on the wall
Just to take
What you gave me

I came face to face
With the Devil
Like Evel Knievel
I break bones yo
Better than Steven Seagal

Don't spit, don't quit
You don't benefit
Just look into my eyes
All you see is a hypocrite

BRIDGE:
Don't ever judge me
You're breaking myself

CHORUS:
Don't push me
I'll try to see you
Inside my head
Don't push me
I'll try to feel you
Inside my head

It's a lifestyle of
The poor and shame
No money, no life
No food, no fame
Got no time to deny
Got no time to die
You'll be okay
'Cause I'll be

The one to crucify

So open your eyes
Your ears
You're on your own
You're livin' a life
Without your heart
You can't fight alone

Now you see me
On TV and
Act like you know me
What the f*** now
I'm drowning
In my misery

Repeat bridge
Repeat chorus

You want to die
With me tonight
Everything's gonna
Be all right

Push me
Don't push me

Repeat chorus
