I'm drowning myself once again
Of fighting until to the end
I'm dying to feel once again
But I time to slip it away
Time to consumed another day
I'm tired of being just to sing

(Chorus)

I know that I do not deserve you
This time I'm falling away now
Goodbye I never meant to hurt
Cause this time I'm running away now
Run... Run... Run...

I watching the light mess my eye
Is this is signal to goodbye
Or should I ignore all the signs
I'm pretending to be in my own
But I'm guess you waiting to hate this song
I taking the sense of my own

(Chorus)

I know that I do not deserve you
This time I'm falling away now
Goodbye I never meant to hurt
Cause this time I'm running away now
Run... Run... Run...

Can you paint me a sky?
With dark violet clouds like your eyes
I'll be a star that lost all it's lights in the night
If I turn on my back would you react from this pain?
I'm lost and abused loss and confused to your mind
So I said...

(Chorus)

I know that I do not deserve you
This time I'm falling away now
Goodbye I never meant to hurt
Cause this time I'm running away now
Run... Run... Run... Run... Run...
