GOOOO... away...

RaHHHHHHH

You scream to me, I'm your enemy
One mistake, you're overkilling me
I don't think you'll be ready for this
Bring you, the truly of best

Thousand angels passing by
Feel the silence in the sky

Move away(3x)

Chorus:2x

Under your skin, you can't stop bleedin'
I know this time(I CAN'T BLAME YOU ANYMORE)

ROOAARRRH

I don't care for you anymore
Walk away with sorrow
I don't see any reason to lie
Don't give a SHIT!, if you believe

Thousand angels passing by
Feel the silence in the sky

Move away(3x)

Chorus:2x

Under your skin, you can't stop bleed'n
I know this time(I CAN'T SAVE YOU ANYMORE)

This is the season to she'd your skin, the weather is
perfectly clear
This is the reason for all your sins. the light is just
fadding away

Move away(x3)

Chorus:2x

Under your skin, you can't stop bleed'n
I know this time(I CAN'T BLAME YOU ANYMORE)

I cannot stay in this place anymore
I don't want to around anymore
I don't want to pretend anymore

Anymore(x2)
