I feel like dyin'
Suffocate or somethin'
Let me hold on to you
Hold me closely
Don't want to suffer
I want to live
Than to fade away
I love my family
They're too far away
To touch me
I want my brother
To come for me

BRIDGE:

Don't want to
Turn away from you
Don't want to
Waste my time
Just to bleed for you
I can't believe the sh*t
You put me through
So cover me

Don't cry for me
This fear in me is killing me

CHORUS:

Why?
Why don't you
Put it in your head?
That I don't wanna die
Don't wanna die
For nothin'
(x2)

Lost my feelin'
Inside of me
I'm bleedin'
I see the devil
On your face
Come separate me
Ne the one to take me

To a place where
Now I can see

Repeat bridge
Repeat chorus
