Run Riot

Living by the law is a bloody necessary bore
Everybody are you gettin' what you're lookin' for?
Livin' by the rule is somethin' that you gotta do!
But does it matter if we
(Break a rule or two?)
Get up, break out, don't be the odd one out
Livin' on the edge, I'm a tryin' to keep a level head
(Oh!)
Ev'ry morning it's a bummer gettin' out of bed
Same old story does a nothin' ever ever change?
Yeah, they lock me up and then they let me out again
Get up!
Break out!
Don't be the odd one out
C'mon, it's alright we're hot tonight
You better run
(Run)
(Run riot)
You gotta run
(Run)
(Run riot)
You know the time has come
(Run)
(Run riot)
I mean ev'ryone
(Run)
(Yeah, run riot)
Oh, gotta riot babe
Goin' thru the motions desperation guaranteed
Whoa, get f-f-frustrated easily
Pedal to the metal senses working overtime
Oh, a fight to the finish babe
Draw the line!
Get up!
Break out!
Don't be the odd one out
C'mon, it's alright we're hot tonight
(Night night night)
Run

(Run)
(Run riot)
You gotta run
(Run)
(Run riot)
You know the time has come
(Run)
(Run riot)
I mean ev'ryone
(Run)
(Yeah, run riot)
Speak to me!
They lock me up, they let me out but I'm up and runnin'
I scream and shout
Get up!
Break out!
Don't be the odd one out
C'mon, it's alright we're hot tonight
You better run
(Run)
(Run riot)
You gotta run
(Run)
(Run riot)
You know the time has come
(Run)
(Run riot)
C'mon, run with me
(Run)
(Run riot)
(Run)
(Run riot)
Hey!
I'll take you from your misery
C'mon!
Stick with me!
