Staring at my shoe strings
Guess the powers out again
Street light through my window
I start to wonder where you've been
Drifting down the sidewalk
Someone stole my car again
I keep thinking of you now
I'd like to tell you but my phone is dead

CHORUS

(Hey, Hey, Hey)
I'm starting to miss you
(Hey, hey, hey)
I had some time to think about it
(Hey, hey, hey)
I thought I didn't need you
(Hey, Hey, Hey)
I'm starting, I'm starting to

Roaches in oatmeal (Repeat)
Oatmeal on my favorite shirt (Repeat)
I tried to please you dear (Repeat)
I guess I may have been a jerk (Repeat)
But if I see you out girl
I won't pretend to be okay
Cuz nothing seems to work now
read my lips you'll see me say

Chorus

(42 na's) na na na na naa naa na na na naa ETC

Yeah I guess I never listened to you
But if you whisper I will hear today (repeat)
Cuz I'm lying in the gutter, dear
Listen closely and you'll hear me say:

I'm starting to miss you
I've had some time to think about it
I thought I didn't need you
I'm starting, I'm starting to

Original Chorus

Hey Hey Hey....
I've had some time
I've had some time Yeah
I thought I didn't need to
