You wish for me that I'll be your dream  
But I'll only bring you down  
I'll only bring you down  
Make me a fool  
And I'll bury you  
I hope you find yourself  
Cause I'm living in...

Unconsciousness  
Unconsciousness

In like a sin  
I've got nothing to give  
You've gotta see through this  
You've gotta see through this  
If I seem fake  
Well that's your mistake  
Opportunity lies inside of me  
As real as fuck

Unconsciousness  
Unconsciousness

If you knew what I know  
If you knew what I know  
If you knew what I know  
If you knew what I know  
If you knew what I know

What I know  
What I know  
What I know

Come please and see  
My reality  
I got no ambition at all  
Except to be with you  
Just to give yourself  
To somebody else  
But it's gonna be your call  
I just can't view

Unconsciousness
