Come along I'm driving  
Going anywhere  
Tell me anything  
If it sounds like a crash  
When you're telling me  
Wait until we're each  
In season

From a sign I'm driving  
Sixty pass that speed  
Tonight it's alright  
If it sounds like a crash  
When you're telling me  
You told me when we're each

In the season  
In the season

And you're screaming  
And you know you can't go on  
And you're screaming  
And you know you can't go on  
So long with me

Season  
Season  
Season  
Season

Come along I'm driving  
Going anywhere  
Tell me anything

In the season  
In the season

And you're screaming  
And you know you can't go on  
And you're screaming  
And you know you can't go on  
So long with me

Season
