Seeing what you're all about
It means nothing to me now
I'm thinking this could be the right way
Hero faces in the crowd
This moves me
I'm making this to be the right way

Go
Fall
Take it slowly
Made it for you

Fall away, Cannot take the fall
Fall away, Back's against the wall
Fall away, Now you're perfect
See we're almost gone

I'm feeling what you're all about
It means nothing to me now
I'm making this to be the right way

Go
Fall
Take it slowly
Made it for you

Fall away, Cannot take the fall
Fall away, Back's against the wall
Fall away, Now you're perfect
See we're almost gone

Almost x2
We're almost done
Almost x3

Fall away, Cannot take the fall
Fall away, Back's against the wall
Fall away, Now you won't be long
See we're already gone yea
Close it up we're gone
