Captain Jack was a suicide pimp with a nonstop  
nosebleed  
Fell in love with a church choir tramp  
Found out she was a drag queen

Crown him the Hollywood kid  
Spent his time in another man's bed  
Does anybody care  
He said-he said

Jimmy Jaw took a ten story dive, about sixteen thousand  
feet  
I watched the body go splat and they scraped him off  
the street

Now he's a Hollywood kid tryin' to fly  
They found him dead  
Was anybody there  
He said-he said

Stars laid out on the Hollywood Squares  
Going 'round and 'round like musical chairs  
But be ready to rumble  
Be ready to fight, if you wanna live through the  
boulevardnight  
Get ready for problems, get ready for pain  
If you wanna play the L.A. game  
Where you got to hustle and nothing is fair  
Be a chalk outline on a Hollywood Square  
Lady Faye back in '52 was a fiend for fame  
Not a lick of talent, paid dues, got fucked by John  
Wayne

Crown her the Hollywood queen, she gives head in  
every scene  
Did anybody stare  
She said-she said

Stars laid out on the Hollywood Squares  
Going 'round and 'round like musical chairs  
But be ready to rumble  
Be ready to fight, if you wanna live through the

boulevardnight

Get ready for problems, get ready for pain

If you wanna play the L.A. game

Where you got to hustle and nothing is fair

Be a chalk outline on a Hollywood Square
