Chorus 2x

[Captain Save Em]

I'm known all around the world as ya ghetto hero  
Been savin hoes from the yay to chicago  
To all you player haters, Come out and play  
I'm fresh out the cleaners wit my versace cape  
Made more investments than versace, Louis and burke,  
And even guess  
I'm that chocolate brother wit the c tattoed on my chest  
They say that game is to be sold and not told  
Made a call to my nigga bad azz, Got a loan, And now  
it's on

[Ant Banks]

I roll a s-500 plushed-out chrome 20's on it straight  
laced  
A presidential on a nigga wrist wit the parvayed out  
face  
Hoes always keepin up cause I'm always spendin g's  
But fo-figure niggaz can't though, Cause they cash  
flow is on freeze  
So tell me who got the skrilla? Who got the cash? Who  
got the hoes?

[Captain Save Em]

Nigga, We do

[Ant Banks]

You know  
And tell me who got the skrilla? Who got the cash? Who  
got the hoes?

[Captain Save Em]
