Sitting in the corner with a coffee cup  
Reading the newspaper, not looking up  
She smiles as she finds something funny there,  
The sunlight shining in her hair

When she leaves you want to follow her anywhere  
Her dress is too tight but you can't let her see you stare

And she's a hot one, a jalepena  
Ooh la Senorita  
You'll never get close enough  
To la Senorita

Hora, sa fuega

You know she has a mind, she has an attitude  
And she likes her space and her solitude  
She'll tease you or please you, if she's feeling good  
Or burn you like you knew she would

When she smiles It's like the sun shining on your face  
Pulling and stretching her leather and lace

And she's a hot one, a jalepena  
Ooh la Senorita  
In Baja, California  
Ooh la Senorita  
Ooh la Senorita
