Ooh, ready or not, here we come  
Gonna set this town alive  
The boys are ready, we're out to rock  
Gonna turn it up tonight

Ooh yeah, I'm eye to eye with you

We do what we want, night after night  
You make our dreams come true  
Real people tell it like it is  
Don't want bad attitude

Ooh yeah, I'm eye to eye with you

Oh, I am not a preacher man  
Don't run for president  
But people judge the way I look  
But I don't do that to them, no

Eye to eye, baby, let's be open hearted  
Eye to eye, what's your point of view  
Eye to eye, maybe we could trust each other  
Eye to eye, don't you see it that way too

Ooh yeah, I'm eye to eye with you

Believe it or not, people stop and stare  
They got this narrow mind  
We're all the same, that's what I think  
How can they be so blind?

Ooh yeah, I'm eye to eye with you

Oh, I am not a preacher man  
Don't run for president  
But people judge the way I look  
But I don't do that to them, no

Eye to eye, baby, let's be open hearted  
Eye to eye, what's your point of view  
Eye to eye, maybe we could trust each other  
Eye to eye, don't you see it that way too

Eye  
Eye  
Eye

Oh, I am not a preacher man  
Don't run for president  
But people judge the way I look  
But I don't do that to them, no, no

Eye to eye, baby, let's be open hearted  
Eye to eye, what's your point of view  
Eye to eye, maybe we could trust each other  
Eye to eye, don't you see it that way too

Ooh yeah, I'm eye to eye with you
