I'll call you on the phone tonight
We can rendezvous at our hideaway, all right

(Don't you know)
You're my everything
(And I know)
You mean the world to me
(Don't you know)
That we are in paradise, oh

Gave me your heart, I won't break it
I believe that we can make it
You gave me your heart, I'll always be true, oh

I'm feelin' stronger 'bout our love
A faithful strength that keeps us closer because, yeah

(Don't you know)
You're my everything
(And I know)
You mean the world to me
(Don't you know)
That we are in paradise, oh

Gave me your heart, I won't break it
I believe that we can make it
You gave me your heart, I'll always be true, whoa

Gave me your heart, I won't break it
I believe that we can make it
You gave me your heart, I'll always be true, whoa
Oh yes, I will
Whoa

Faster-n-faster
My heart's beating faster
I'm so glad you're here with me, whoa

Faster-n-faster
I know this can last, girl
Since you gave your heart to me, woo

Oh, you're my everything
And you mean the world to me
And we are in paradise, yeah yeah

Gave me your heart, I won't break it
I believe that we can make it
You gave me your heart, I'll always be true, whoa

Gave me your heart, I won't break it
I believe that we can make it
You gave me your heart, I'll always be true, yeah yeah
yeah

Gave me your heart, I won't break it
I believe that we can make it
You gave me your heart, I'll always be true
Don't you see I love you

Gave me your heart, I won't break it
