Hey, we ain't really gotta keep going too
If anybody wanna rap circles around you my nigga
We bout to do it
You about that rich over that swag that's it
It ain't about us, we about that bitch throwing that swag
We about that sitting on that ab
We sitting on that ab
We about that... full of that bag
We about that fist fight
Only about that bag if it's full of that cash
We about that... right, least but not last...
We are... so what
My clicking rap my dough up, now picture that
I write the sloppiest verses down you seen
I hand it in for green
So I can buy all my bitches bags with the stacks
Call the cash
Chicken scratch... and we can't...
Shady blew up in the game, turn around...
The gator...

Ask the good niggas if I hug the block
Ask these broads if I plot on they glove
And uppercut that rock
And I come from the rough so when I come from this
body
You bugging then I'm telling you...
He hot,... I get that computer lock, 2 pac
And I sacrifice what I write for the newest...
I'm with the... with a pen in the... that's k
Y'all don't wanna be... y'all wanna get beat up
So lift your knees up and start running
Or put your knees down on the ground and bow cause
we're the

Juggernauts to this rap shit, juggernauts to this rap shit
Juggernauts to this rap shit, juggernauts to this rap shit
Like it or not
Juggernauts to this rap shit, juggernauts to this rap shit
Juggernauts to this rap shit, juggernauts to this rap shit

Some of you niggas is bitches too, you rocking
panties...
Deep down in your pitching too,...
What you stand for is beneath me...
Niggas get x ed like the professor and juggernauts
running on family huh
Homie I was making text before that martin...
And nigga was rocking a baric, now how rappers take
my...
Ain't no next cause I got now... it ain't gonna mean a
thang
Bust... dropping that whack shit

Juggernauts to this rap shit, juggernauts to this rap shit
Juggernauts to this rap shit, juggernauts to this rap shit
Like it or not
Juggernauts to this rap shit, juggernauts to this rap shit
Juggernauts to this rap shit, juggernauts to this rap shit

Look we out there, in that shady street
Bet you already know the address
... there's too many dead
Before that body hit that bag yet...
Blat, blat, blat, illest thing... a juggernaut
... if I'm ready to fuck or not
Nigga... if you'd knew, what this game will do to you
... honest... work, hollows in these slugs... warrup
