Oh no, what's he doing with her man?  
You know that's that bird  
I was telling you about  
That messed around  
With me and my bro'

You know I might be young  
But I'm not naive, you see  
This girl could chew you up and spit you out  
Even after a damn big lunch

So look out boys  
'Cause she's a loaded gun

Bang, bang, look out!

She looked just like an ordinary girl  
How was I supposed to know she knew the world  
Outranked, shellshocked, shrapnel from the time  
before  
I thought she was the girl that I was lookin' for

She's like a loaded gun  
She's gotta getcha, getcha  
Loaded gun, shoot, shoot, shoot  
Loaded gun, fire, loaded gun

Bang, bang, oh yeah, look out!

Cold as fire with shotgun in her eyes  
She's got notches in her belt from the other guys  
When she gets you in her sights, it's like dynamite  
She can blow an army apart  
Oh, she'll shoot a bullet into your heart

She's like a loaded gun  
She's gotta getcha, getcha  
Loaded gun, shoot, shoot, shoot  
Loaded gun, fire, loaded gun

[Incomprehensible]2.54

I'm tellin' all you soldiers  
Now listen to my plan  
Go to battle stations, it's red alert  
Let's get her while we can

Like a loaded gun  
She's gotta getcha, getcha  
Loaded gun, shoot, shoot, shoot  
Loaded gun, fire, loaded gun, loaded gun

She's like a loaded gun
