On the .. set the team my wait up nigger I am no foul

Have your brain exposed by I shut .. in a second homie
and break your noise

Talk the past lift your ass I was living life fast put my
pistol on the grass

Stick it in my ass try to finish up the last so I can sit it in
the stash

All this sweat tripping from the .. sitting on the .. while I
am looking left to right

Niggers with the badge I want bitches really .. from
them 12 12 and I kept the shit packed for them

Back and forth I can paint so vivid cause I really lived it
trap .. I scalp ..

Chorus

I am in the club bottle in the hand doing my posture

Like I am ..dance all the niggers when they feel the gun
I tell them

I am doing the hammer dance

Two step put my weapon on feeling good I am just
stacking homie

You don't stand a chance while I got this gun in my
pants

Doing the hammer dance

Two step put my weapon on feeling good I am just
stacking homie

You don't stand a chance while I got this gun in my
pants

Doing the hammer dance

Many times I wake up whole morning I spill the coffee i

You don't think that I am about this real nigger put your

Chorus

I am in the club bottle in the hand doing my posture
Like I am ..dance all the niggers when they feel the gun
I tell them

Two step put my weapon on feeling good I am just
stacking homie
You don't stand a chance while I got this gun in my
pants
Doing the hammer dance
Two step put my weapon on feeling good I am just
stacking homie
You don't stand a chance while I got this gun in my
pants
Doing the hammer dance

Fuck the peace the real â€¦ is the ..money ain't new to
me ..
This is move B taking shorty from ..work with me but
the chrome is â€¦
In the same taxi as the bone collect the â€¦rap about
models
I have been hunted by them not a kill lead on I am just
surrounded by
Just a real nigger straight from my mother stomach ..
for all of us to be cut from it
I decided about who tells that cause all of us to be .. for
who host bread
Lot of hostility holler in this killer over my dead body
like is not a possibility
All my .. bullshit never mind me but if there is a
repellence nigger know where to find me

Chorus

I am in the club bottle in the hand doing my posture
Like I am ..dance all the niggers when they feel the gun
I tell them
I am doing the hammer dance
Two step put my weapon on feeling good I am just
stacking homie
You don't stand a chance while I got this gun in my
pants

Doing the hammer dance
Two step put my weapon on feeling good I am just
stacking homie
You don't stand a chance while I got this gun in my
pants
Doing the hammer dance
