

Slaughterhouse "Juggernauts"

Visit "[Juggernauts](#)" on MotoLyrics.com

Hey, we ain't really gotta keep going through this
If anybody wanna rap circles 'round you, my nigga, we
'bout to do it

You about that bitch, dough, and that swag, that's
it

Let me talk about us, we about that bitch, dough and
that swag

We about that sitting on that ave
And because we sitting on that ave

We about that pistol in that bag

We about that fist fight, only after we grab a fist full of
that cash

We about that get right

what you have perceived the least but not last

We are the sickest scribbling with that pen, that pencil
and that pad

And y'all talking this and that, so what

My click can wrap my dough up

Now picture that, I write the sloppiest verses down you
seen

I hand it in for green

So I can buy all of my bitches bags with the stacks

And call the cash chicken scratch

Slaughter baby we just getting warm

Y'all ain't fucking nothing we can't fuck

Y'all ain't driving nothing we can't drive

If we can't afford it we just take yours

See ya'll little niggas just misinformed

Shady blew up, took the game, turn around

And ten years later he gave it to the

[Hook x2: Eminem]

Juggernauts of this rap shit (7x)

Like it or not

Some of you niggas is bitches too, you rocking panties,
huh

Sit down when you pissing too, you niggas trannies,
huh

What you stand for is beneath me, you understand me,
huh

Niggas get X'd like the professor and juggernauts
running our family, huh

Homie I was making checks before that Martin Margiela

And niggas was rocking Avirex
, now hot rappers date my ex-s
And I'm still rated X, stick my dick so far in a bitch's
throat
It'll come out the other side and turn a blowjob into anal
sex
Ainâ€™t no next, cause I got now until I decide to to
bow, avow your style
It ainâ€™t gonna mean a thang cause I came to bring
the pain like Tical
Nigga, now, we're the juggernauts to this rap shit
Bust a shot with ya ratchet
When suckas dropping that whack shit
Ask them hood niggas if I hug the block
Ask these broads if I slide on that glove and uppercut
that box
Man I come from the roughest so if I come up in the
spot
And you bugging Iâ€™m tellin you suckas watch,
Iâ€™m a take off that fucking watch
And scratch a, bitch, I'll be on a nigga ear, scream
Juggernaut
He hot, that donâ€™t mean that he nice, y'all get that
confused a lot
2Pac
I donâ€™t sacrifice what I write for the newest drop
Big Pop
us big boys still clean down to the socks
Then sprinkle a little Big L on top
Iâ€™m what the fuck you got,
put Porter rock
With a pen and Eminem as a friend Iâ€™m touching
this Entenmanns
Thatâ€™s cake
you little boys donâ€™t get it so listen letâ€™s make
amends
We donâ€™t wanna be bullies, yâ€™ all wanna get beat
up
So lift your knees up and start running
Or put your knees down on the ground and bow cause
we the
Look, it's House Gang
on that shady street
y'all already know the address
Where the eulogy's said, so they assuming he's dead
Before that body hit that bag yet
Be face to face with them slugs
Sad cause my goons ainâ€™t load that mag yet
In the bottom of the ocean floating
They hoping they gon find your ass with that drag net
(nah)

(Blat, blat, blat) You're listening to a juggernaut
She just gon' sit by the pool 'til one nigga decide if
I'm ready to fuck or not
Rap is contingent on everything other than rap
, so no we ain't discussed a lot
It's sad when they wasting your passion
Not do it for cash when they tell me they up the pot
Nigga you would too, if you knew, what this game
would do to you
Been in this since 2002, look at all the bullshit I've been
through
So-called beef with nobody's
I mention them and they nobody's
They say they killers, got no bodies
I'm sober talkin on no molly's
It's Joe probably won't throw not one bottle in
the club
it's worthless killing the purpose of these hollows in
these gloves
And really I'm having a much better time on the
couch with these models on my nuts
The minute we raid is the minute you'll see us show
these cock-a-roaches love (waddup)
What on Earth will the Fuck Boys do next?
