Fuck the world man, we are the freshest  
I'm higher than a baby on a seesaw with Precious  
Y'all just the messengers, we are the message  
You bang on wax, I beef off the record  
Back like I trap, you can't spit this flow  
I slang water, slang flour, I'mma get this dough  
Behind my zipper where her lipstick go  
Like an embryo in a hooker, I'm in this ho

Nickel!  
Right off the rip, nigga we are the dopest  
Y'all in front of the camera, we are the focus  
Y'all are the watered down, we are the potent  
Y'all call y'all bosses, we call the GOAT then  
We ball fo' sho' and, here we are fast cats, fly  
Me and bombs over baghdad, B.o.B  
The only thing I hate to see is hate  
In the place to be

What an incredible place to be  
Away from the bullshit, I'm fading slowly  
Ain't no other place I'd rather be  
Away from the lowlifes surrounded by money  
What about nines and super freaks?  
Bottle of patron, just roll that green  
Put it down for the team  
So while my bill is getting ends, take another shot  
What an incredible place to be

I'm feeling like Cassius, at last it's the greatest  
Angry intelligent rap, mad innovative  
Y'all blast garbage shit, we blast the haters  
Hip Hop's a community, we smack the neighbors  
The last men standing when the shit get real  
When the rest up we stepped up like a 6 inch heel  
I'm getting used to how this rich shit feel  
But don't judge me, I'm doing my best to make my dick  
sit still

Fresh in the strip club, he be the realest  
Drugs got her number, she feel this  
I said I need to love before I out her, not anything like a

spouse

Told her the roof's missing, but everything's on the  
house

Got a table full of liquor, somethings gotta hit the spot

She might even put them on the glass if we mix a lot

Get her nice and buzzed

The night'll end when we decide it does

What an incredible place to be

Away from the bullshit, I'm fading slowly

Ain't no other place I'd rather be

Away from the lowlifes surrounded by money

What about nines and super freaks?

Bottle of patron, just roll that green

Put it down for the team

So while my bill is getting ends, take another shot

What an incredible place to be

You already know nigga, we be's the flyest

You might've seen high, but nigga we get the highest

Far as lighters, I need at least a 3 week supply with

Now all this pussy thrown at me, now I'm knee deep in  
'gina

Bitch I'm bossin', fuck around and unleash Goliath

I go deep and get your poon all wet, call me Poseidon

I'm a giant, I eat beats and I burn good, that's my diet

B.o.B and Slaughterhouse 5

Nine, every time I scribble a rhyme down

Niggas be like (that's a riot)

Crooked, Ortiz, sick with the flow (that's a riot)

Or explosive, know it be like Floetry

So it's Ambrosis, I wrote it, know that it's cool to quote it

Joe!

L one hell of a relevant MC, felon ya melon is empty

So elementary, but Neverlands be residing in our pens,

C

R, double O-K, E-D-I

Far up and away, cause we be high

What an incredible place to be

Away from the bullshit, I'm fading slowly

Ain't no other place I'd rather be

Away from the lowlifes surrounded by money

What about nines and super freaks?

Bottle of patron, just roll that green

Put it down for the team

So while my bill is getting ends, take another shot

What an incredible place to be
