I met you on a Thursday
Friday, took you home
Well Saturday I'm begging you, baby
Just leave me alone

You're turning me upside down
Pull me to the ground
When you shake me, shake me
I'm giving you what you need
And I'm begging, please
Don't break me, break me love

You took me to your bedroom
Threw me to the floor
You left me beaten and broken but I
I still come back for more
You make me feel so dirty
And it feels so right
Well I know you just gonna hurt me when I
Go to see you tonight

You're turning me upside down
Pull me to the ground
When you shake me, shake me
I'm giving you what you need
And I'm begging, please
Don't break me, break me
You're making it feel so good
Like a young girl should
When you take me, take me
I'm giving you what you need
And I'm begging please
Don't break me, break me love

WOAH YEAH

You're turning me upside down
Pull me to the ground
When you shake me, shake me
I'm giving you what you need
And I'm begging, please

Don't break me, break me
You're making it feel so good
Like a young girl should
When you take me, take me
I'm giving you what you need
And I'm begging please
Don't break me, break me love

Love
Love
Love love
Whoa
