He's a small town dreamer
She is living in the real world
He's got his sights set on anywhere but here

And her dream is a future with a little white picket
fence
But he can't give her what she wants
So she will give him all her thoughts
And she said

If I die this instant
Tell me I'm the one you would be missing
Tell me I'm the sugar to your sweet tooth
And I can't get enough of me

She is scared of the future
'Cause she doesn't know what it holds
And he's just trying to make it through tonight

And his dream is a future
With a little white picket fence
But he can't give her what she wants
So he will give her all his songs
And he said

If I die this instant
Tell me I'm the one you would be missing
Tell me I'm the sugar to your sweet tooth
And I can't get enough of me

If you die this instant, tell me you're the one I would be
missing
Tell me you're the sugar to my sweet tooth
And I can't get enough of you

If I die this instant
Tell me I'm the one you would be missing
Tell me I'm the sugar to your sweet tooth
And I can't get enough of me
