Lady Gaga and Lord Gaga

Lady Gaga and Lord Gaga

Lady:

Its the future and everything is weird.

Check out this guy, hes got a metal beard.

I give good headache, I'll make you scream.

Is this reality or just a fever dream?

I like to jerk and twitch this is how I dance.

Its cold in here may I please put on some pants?

NOOO!

Lord:

Chic freak sista fierce work those bitchy gams

Those were just some words that only gay men understand.

Lord and Lady:

Bla bla bla hoo hoo he

Everybody look at me.

Random stuff random stuff

Tell me have you had enough?

Chorus:

If I love you and you love me, then baby how can we go wrong?

This chorus doesnt have anything to do with the rest of the song.

Lord:

Completely unrelated

Im Lady Gaga and Im Lord Gaga

Lord and Lady:

Sometimes we like to sing like we are underwater.

Lord:

You think your weird girl, but Im weirder than you.  
Let me tell of the weird things that I like to do.

Lord:

Yesterday I went to church and made out with a nun  
Then I went up to the roof and stared into the sun.

Lady:

That is pretty weird but I got you beat  
I like to wear a bathing suits made out of raw meat.

Lord:

I put on a tuxedo before I go to bed  
I send out birthday cards to people who are dead

Lady:

I like to eat brillow pads thats how I got this voice.

Lord:

Sometimes I like to cut myself but its a fashion choice.

Lord and Lady:

If I love you and you love me, then baby how can we go wrong?  
Were totally making this shit up, as we go along.

Lord:

I might have overdone it
