PITBULL

Mr. Worldwide! Red 1  
Got my very own song!

Nobody else. Just me, estas chicas, Dali Vodka, a snake, 305,  
and as always, Da le!

Here's a special song I made it just for you,  
Did it all by myself its my solo debut  
This time it's all mine,

I'm a rhyme rhymes that don't rhyme  
I think it sounds fine, and no one else seems to mind  
No more splittin' my checks up. I've made it to Mecca!

"Donde esta la biblioteca?"

I'm just kiddin' I don't read  
Now...what to rap about?

MARC ANTHONY

Since J-Lo said goodbye  
All I do is cry

And watch romantic comedies

PITBULL

We already did that song!

MARC ANTHONY

Why ay ay is she dating that young guy  
My kids tell me he's muy sexy

PITBULL

You're messin' up my track Marc Anthony

PITBULL

I said you could crash for a week not a year  
You ruined my sofa, it's stained with your tears

C'mon Marc I don't have time fer all dat  
you're bound to find a booty that's just as fat.

Have a Dali Vodka while i do my thang,  
If you a good boy we'll go to PF Chang's  
(spoken) more like PF Cha ching. Tally!

MARC ANTHONY

I just can't leave her behind

I wish I could turn back time

But I don't the technology

PITBULL

MARC ANTHONY

Hey why ay ay ay does your mouth go to the side?

PITBULL

[spoken] Shut up

MARC ANTHONY

Now even Pitbull's mad at me.

PITBULL

I forgive you

U a rockstar man u almost handsome

We'll hit the club later, but you gotta put pants on

Lemmie rock this solo then we'll go hit the floor (ding dong)

Hang on a sec lemmie just get the door

J-LO

Just came by to get Marc's child support

PITBULL

Marc Anthony he disappeared

he's definitely not anywhere around here

J-LO

Cut the mierda I know you're not alone

I can smell his nasty Brut cologne

Also the kids have to go to the dentist,

I'll be too busy on Celebrity Apprentice.

PITBULL

MARC ANTHONY

I-I want to know when your heart died

J-LO

Don't take another step towards me

PITBULL

Both of you stop it can't you just get along?

Come into my office and sit on the futon Have a Bud Light and have yourselves a seat,

Tell me your problems but do it to the beat,

J-LO

He dresses like he on Fantasy Island

MARC ANTHONY

She's a fashion monster that's fueled by diamonds

PITBULL

I know how this relationship went off track  
I've carefully researched and weighed all the facts.  
See J-Lo's much more attractive than you  
She a ten you a two let me getchoo a tissue  
Sure you got the money, and all them Latin Grammys  
But you look like a hispanic Steve Buscemi

J-Lo

PITBULL

He played in Fargo.

J-Lo

PITBULL

Now if you'll excuse me I got a solo to fix
