chorus

I see the look on your faces
I can't wait to blow it out of the frame
Take in
I don't care what they say when they're speaking my
name
Just as long as they say that I went out with a bang

..when it is warming
.. no vacation going hard ..
Tracking a man .. going hand to hand so long
.. get caught in the .. of humble
..so when they came to get me
I'll wait them with a bang

Chorus

I would be rapping this â€¦ I let them to sit back
They were trying to stop me .. I need to get home to my
nigger

Rappers testing me .. when they put me in the Earth
.. I doubt this shit nigger I am trying to work my way
about this shit

Chorus

Time for some action ride in .. with the game
Is the same for gangsters these niggers â€¦ kicking
game to a game bitch
.. They are telling me i am the savior .. so when you are
speaking my name
Remember to say I was a bang mother fucker
