I hear those sleigh bells ringing
Star shining bright
I hear those church bells singing
O what a night!

Happy days are here again o baby, yes it's true
This year I'll write a Christmas song for you

Outside the snow is falling
O what a sight
Inside it's nice and cozy
We're holding tight

Happy days are here to stay o baby, yes it's true
This year I'll write a Christmas song for you
This year I'll write a Christmas song for you

Underneath the mistletoe, standing hand in hand
Let's go outside and have some fun
In winter wonderland

I hear those sleigh bells ringing
Star shining bright
I hear those church bells singing
O what a night!

Happy days are here again o baby, yes it's true
This year I'll write a Christmas song for you

Underneath the mistletoe, standing hand in hand
Let's go outside and have some fun
In winter wonderland

I hear those sleigh bells ringing
Star shining bright
I hear those church bells singing
O what a night!

Happy days are here again o baby, yes it's true
This year I'll write a Christmas song
This year I'll write a Christmas song

This year I'll write a Christmas song for you
