Don't swim too deep
Just lie with me
The lifeguards have all gone to sleep

The last two weeks
Have been hardest on you
So don't be afraid to let it all fall on me

And I will drown your pain

Don't you think
Let me think
Don't you feel
Let me feel

Don't you think
Let me think
Don't you feel
Let me feel

You've done some things
That you regret
The watchers have all gone to bed

The morning light
So far away
So tell me secrets as we lay

The last two weeks
Have been hardest on you
So don't be afraid to let it all fall on me

And I will drown your pain

Don't you think
Let me think
Don't you feel
Let me feel

Don't you think
Let me think

Don't you feel
Let me feel

Don't you think
Let me think
Don't you feel
Let me feel

Don't you swim
Let me swim
Don't you drown
Let me drown

Don't you think
Let me think
Don't you feel
Let me feel
