Here we are
Another day
I still don't know
If I will stay

I recognize
The same defeat
We used to be
So incomplete

But in the end
You know me best
If you feel cold
I can't contest

And here we are
Another day
I still don't know
If I will stay

We need to talk
We need to try
Before we cross
The great divide

The same advice
That failed before
And led us to
A bloody war

But in the end
You know me best
When you feel cold
I can't contest

And here we are
Nothing to show
I'm still unsure
If I should go

I know, to you my scheme is busted

You've got me in your sights
To you my scheme is busted

I know, to you my scheme is busted
You've got me in your sights
To you my scheme is busted

I know, to you my scheme is busted
You've got me in your sights
To you my scheme is busted

I know, to you my scheme is busted
You've got me in your sights
To you my scheme is busted

We'll never find the time we wasted
But making up is overrated

We'll never find the time we wasted
But making up is overrated

It's overrated
It's overrated
