With our callous minds we infect  
Other ways of life, no regrets  
Like a masochist we instigate  
While the rest of the world must tolerate

Americon  
Americon

It's all about the motherfuckin' oil  
Regardless of the flag upon its soil  
In a bloodbath we pad our fuckin' greed  
The price is high to maintain liberty

Americon  
Americon

So here we live in a land of deceit  
That imprisons the minds of the weak  
No immunity for swayin' the odds  
From this resistant strain Americon

Americon

Some feel the need to play God  
No immunity for swayin' the odds  
This resilient plague Americon

With our poisoned minds we infest  
Other ways of life we ingest  
In a bloodbath we steal you dignity  
The price is high to maintain liberty

Americon
