By verbal abuse

Disintegration you bastard

I've done overdose it doesn't mean shit  
One time what about you it doesn't bother me a bit  
My body is a weapon and my mind is decay  
And all you stupid assholes are here to see me die

Disintegration (6x)

I don't need you now so why don't you go away  
Your day will come real soon and your mind will be  
And everyone will fuck you, you're such a fucking  
whore  
And when i see you standing there  
I just don't want no more

Disintegration (6x)

Free money

I don't want your problem  
Sopping all the time  
I can't even go  
When i don't even have the time

I want everything and every thing wants me  
I want everything and every thing comes out of me

I want free money (4x)

Life is slavery working 9 to 5  
Waste your time working  
You might as well die

I want everything and every thing wants me  
I want everything and every thing comes out of me

Life is slavery working 9 to 5  
Waste your time working  
You might as well die
