Disintegration you bastard

I've done overdose it doesn't mean shit  
One time what about you it doesn't bother me a bit  
My body is a weapon and my mind is decay  
And all you stupid assholes are here to see me die

Disintegration  
I don't need you now so why don't you go away  
Your day will come real soon and your mind will be  
And everyone will fuck you, you're such a fucking  
whore  
And when I see you standing there  
I just don't want no more
