Originally performed by Verbal Abuse

I don't want your problem
Sopping all the time
I can't even go
When I don't even have the time

I want everything and every thing wants me
I want everything and every thing comes out of me

I want free money

Life is slavery working 9 to 5
Waste your time working
You might as well die

I want everything and every thing wants me
I want everything and every thing comes out of me

Life is slavery working 9 to 5
Waste your time working
You might as well die
