On your back look on to me
You'll see genocide
Face from death more than insane
Profane pleadin' cries
Watch you die inside, watch you die

God send death and misery
Preach no love of ministry
Pray for sin a shattered faith
Down on your knees
You're screamin' out to die

Death is overdue
Nothing can save you
A morbid symphony
Hearin' you lie there screamin'
Takin' life from you
Is all I wanna do
Desire so deranged
This is what lives inside me

Putrid blood flows through my veins
To thrive on demise
Voyeurs' lust watchin' the pain
Touchin' you inside
Bleed you fuckin' dry, bleed on me

Death design blood splattered wall
Face meltin' one vicious whore
Twisted figures flesh from bone
Down on your knees
You're screamin' out to die

Death is overdue
Nothing can save you
A morbid symphony
Hearin' you lie there screamin'
Takin' life from you
Is all I wanna do
Desire so deranged
This is what lives inside me

Clawin' at the eyes of God
You taste your death in hand
Your fingers bleed in vain
You scream in your grave
Clawin' at the eyes of God
You pierce your throat and hands
You've gone insane with pain
You're blind screamin' for your God
Pathetic God

Death design, blood splattered wall
Face meltin', one vicious whore
Twisted figures drown your mind in pain
God send death and misery
Preach no love of ministry
Pray for sin a shattered faith
Down on your knees
You're screamin' out to die
Clawin' at the eyes of God
