Originally performed by Minor Threat

I don't want to hear it
All you do is talk about you
I don't want to hear it
Cause I know that none of it's true
I don't want to hear it
I'm sick and tired of all your lies
I don't want to hear it
When are you gonna realize

I don't want to hear it
I know you're full of shit

I don't want to hear it
All you do is talk about you
I don't want to hear it
Cause I know that none of it is true
I don't want to hear it
I'm sick and tired of all your lies
I don't want to hear it
When are you going to realize

I don't want to hear it
I know your full of shit

Shut your fucking mouth
I don't care what you say
You keep talking
Talking everyday
First you're telling stories
Then you're telling lies
When the fuck are you gonna realize

I don't want to hear it
I know you're full of shit

Ah, shut the fuck up
