You were just a waste of sperm
The way you look
Makes my stomach turn
The way you think
Is no way at all

God you really think you have balls

I hate you Ain't it true
I hate you And everything you do

You walk around like a fucking dick
And everytime you're near
You know I get real sick

You're so stupid
There's nothing in your head
God how I wish that you were dead

I hate you
Ain't it true
I hate you
And everything you do
