I have witnessed your death  
I've seen it many times  
Your tortured screams  
Your decrypted little mind

A father's son  
With pathetic eyes that bleed  
Twins in the end  
Begin and let the brothers fall

I will see you buried alive  
Screaming for your God  
I will watch you die again for him

God won't touch what I've done  
He cries upon my feet  
A privilege pain  
Beneath buried are your dead

On splintered bones, I walk  
Shifting through the blood  
Besieged in fear  
Await the coming of the God

I will watch you die again for him

Blood is raining downward  
The stain reflects the sun  
Conquer divide within  
Terrorize the mind

I have seen the end, it's yours  
Rosary in hand  
Your selfish flesh, it melts  
Spilling from the sky

I will see you burn alive  
Screaming for your God  
I will watch you die

This is God's war  
God's war

This is God's war  
God's war

War of holy principles  
I'm seeking God's help in your destruction  
Slit the throat of heathen man  
And let his blood dilute the water  
Bury your dead

Fuck your God, erase His name  
A lady weeps insane with sorrow  
I'll take his towers from the world  
You're fucking raped upon your deathbed

This is God's war  
God's war  
This is God's war  
God's war  
Fucking holy war

Be optimistic, happy and calm  
Show no fear or anxiety  
Smile at the face of God  
And your reward will be eternity

Holy warriors  
Your patience will be justified  
Everything is for Him  
You must not comfort the animal  
Before you kill it

Strike as champions  
At the heart of the nonbelievers  
Strike above the neck  
And at all extremities

For it's a point of no return  
For Almighty God, God will give victory  
To His faithful servant  
When you reach ground zero  
You will have killed the enemy  
The great Satan
