Body count
Laying down mutilated
It's your time to die
Desolate
Lurk your satisfaction climax with your death
All alone
You're praying intimidated with my lust for fear
Dehumanise
Crying out stimulated
Your screams fill my soul

Sincimanic death
A physical fear
Psychopathy Red
After death gratification!

Graphic dreams
Played out fucking sick
Can't control the urge
Innocent
Drop dead suicidal pain that I posses
Vindictive
Past crimes insidious
This is my redemption

Violate
Force down penetrate as reflecting horror

Sincimanic death
A physical fear
Psychopathy Red
After death gratification!

Perversion
Slow death agonising
Stab around the eyes
Flowing blood
Will take (something) pleasure
Eclipsing our reason
Whipping burn
In high imitation
Scream for an act in vein

All of these cuts
Bled out hopelessly
Now I'm an act of rage!

Sincimanic death
A physical fear
Psychopathy Red
After death gratification!
