"Show No Mercy"

Through the night, we rise in pairs
Lords at night we ride
From the depths of Hell's domain
Reborn to reign this night

Roam throughout the endless wars
Hold high his name we must
Warriors from the gates of Hell
In Lord Satan, we trust

Stalking the night, can't you feel I'm near
Watching each step that you take
I take lives and show all no mercy this night
Attack those not knowing my force

Brothers of the Prince of Night
By bargains we have made
Allies with the darkened souls
Our legions, we must save

Fight for our eternal quest
God can't save you in time
Evil stalks the night with us
Your soul it shall be mine

Stalking the night, can't you feel I'm near
Watching each step that you take
I take lives and show all no mercy this night
Attack those not knowing my force

I am the menace in your eyes
The one you can't escape
Your life falls in my grasp
Your know your end is near

You pray your God will help
His strength no match for mine
Your last hope slips away
Thy soul begins to bleed

I tear your flesh to shreds
Burn holes throughout your mind

Your eyes now filled with blood
A victim of my force

In endless agony
You realize your defeat
Recite my Master's chants
Your soul now his to keep

Stalking the night, can't you feel I'm near
Watching each step that you take
I take lives and show all no mercy this night
Attack those not knowing my force
