I don't want to see, I don't want to hear  
I don't want to feel anything, can't you understand  
Everything I do doesn't stem from you  
It doesn't have a fucking thing  
To do with you

I just want to die, throw it all away  
Never have to feel again, the way you make me  
Lose my fuckin' mind all the fuckin' time  
Can't control the violence  
That's spewing from me, take It

I can't control the rage that flows from me  
I can't shut it down, it overwhelms me  
I can't stop the rage that flows from me

Can't stop the violence, I love it  
No one's immune to hate that flows from it  
Infectious I feed on it  
Every fucking endless day

You're either on my side or else you're in my way  
No one stands a chance when I'm lashing out  
Random hate, there is no other way  
It's my discipline, it's my way of life

Never wanted bliss, never wanted you  
Never needed anyone, I've polluted  
Everything you feel, everything you are  
Everything you'll ever be, you repulse me

It's always about you, always come at me  
With shit I can't identify, you know it makes me  
Lose my fuckin' mind all the fuckin' time  
Can't control the violence  
That's spewing from me, take It

Can't stop the violence, I love it  
No one's immune to hate that flows from it  
Infectious I feed on it  
Every fucking endless day

You're either on my side or else you're in the way  
No one stands a chance when I'm lashing out  
Random hate, there is no other way  
It's my discipline, it's my way of life, yeah

I can't stop the rage  
I can't stop the hate, yeah  
I can't control the violence
