O Devla, tu san igen Lasho
Jaj de shukar, igen dzsanes

Av manca, taj kelas intrego rat
Bashavas I muzsika anda jilo
Kelas amenge taj pias mol
O traio sikavel amenge o drom

Zsa manca o drom
Av manca dur
De loshal muro jilo tai asal av manca te rakas I bacht

Zsas avri te mulatinas
Keras vatra be shukare tan
E sheia aven lunge cohansa
Taj luludzsensza ande bal
Kamav te asav
Kamav te kelav
De loshalo muro jilo asal av manca te rakas I bacht

De loshal muro jilo tai asal av manca te rakas I bacht
