[Verse 1:]

Uh, she said the last was off key when he tried to do it
So she threw me a pitch and I auto-tuned it
Made it correct, I just renewed her
Now everybody after me was all weak to her
Hit by a silver bullet and I'm still a beast
I'm her top supplier, I think I'm Big Meech
She said the first love was surplus, but yours wasn't
Hit it so hard the rubber broke on the first punch

[Chorus: Oktane]

I'm a do it how you want it [x7]
Make ya body say "yeah yeah"
(Make ya body say)
Make ya body say "yeah yeah"
(Make ya body goooooo)
Make ya body say "yeah yeah"
(Make ya body say)
Make ya body say "yeah yeah"
(Make ya body goooooo)

[Verse 2:]

Uh, and we do it in her Lexus while the sun goin' down
Make the windows resemble precious after running a
mile
Iron man now so X-Men is now less
I stole his shine and Obama called me a jackass
I loved her long time, so I bought her flight free
Gave me head in Chicago, I call her Chinese
So call it tryna win this bitch
And if you make a request I'm gonna spin that shit

[Chorus: Oktane]

I'm a do it how you want it [x7]
Make ya body say "yeah yeah"
(Make ya body say)
Make ya body say "yeah yeah"
(Make ya body goooooo)
Make ya body say "yeah yeah"
(Make ya body say)
Make ya body say "yeah yeah"

(Make ya body goooooo)
[Repeat till end]
