[Chorus: Legacy]

Lock me up throw away the key  
I'll make sure I won't stop  
If you make sure it's wet for me  
You got me trapped for life  
I'm probably gonna die in you  
Prisoner inside I'm a prisoner inside you

[Verse 1: Legacy]

Imagine your face after our lips touch  
One time it's cool for you to kiss your daddy  
You say that your last couldn't make you bust  
Well baby my love will make you trigger happy  
Once you let it off it's gonna sound like  
I'm a bring yo shit back and put it down like  
I Know that I'm good I got that loud pipe  
They hear it outside (baby don't that sound like... SEX! )  
Baby come hear I swear I'll slow it down  
All you kno is weak and stroke  
Well I'm wat you don't know about  
We close I know I know balls got you opened now  
Into deep in that motherfucker hope he drownds  
Started talkin shit like I couldn't hold it down  
Baby came up broke I know damn sure dat ain't oprahs  
child  
She love tha sex so much that she wrote her vows  
This is my third strike I guess I'm goin down

[Chorus: Legacy]

Lock me up throw away the key  
I'll make sure I won't stop  
If you make sure it's wet for me  
You got me trapped for life  
I'm probably gonna die in you  
Prisoner inside I'm a prisoner inside you  
Lock me up throw away the key  
I'll make sure I won't stop  
If you make sure it's wet for me  
You got me trapped for life  
I'm probably gonna die in you  
Prisoner inside I'm a prisoner inside you

[Verse 2: Legacy]

I asked her for a rubber (I asked her for a rubber)  
She said that she ain't got one (she said that she ain't  
got one)  
I said I'll only do one pump then  
Fuck it I ain't stoppin  
She said that she can't cum no more  
Can I catch my breath please? "I said yeah"  
She dozed off then woke up to a wet dream  
She told me stop it nigga  
I can't be around you bust when you touch it  
And now I'm cummin when I think about you  
She asked me how I do it? and I'm like "hell if I know"  
My toungue just hunting gold your pussy El Dorado  
And I'm enjoying it never ashamed  
My head could stay under that blancket for days  
You'll have to pull me away  
Now her belly wasn't fakin'  
She waz humble to my gift cause she said she couldn't  
take it  
I don't kno why they act like prison is the worst place  
As long as it's witchu I'll be missing every court date

[Chorus: Legacy]

Lock me up throw away the key  
I'll make sure I won't stop  
If you make sure it's wet for me  
You got me trapped for life  
I'm probably gonna die in you  
Prisoner inside I'm a prisoner inside you  
Lock me up throw away the key  
I'll make sure I won't stop  
If you make sure it's wet for me  
You got me trapped for life  
I'm probably gonna die in you  
Prisoner inside I'm a prisoner inside you
